1. Program Vision

Preparing students to accept and understand the controversial and methodological issues among the early generations of scholars, recognizing that each hadith scholar typically has a clear and specific methodology in authoring their works, which are now our primary sources for study.

2. Program Mission

Preparing a generation of teachers and speakers who are aware of the challenges they face in the job market, and recognizing that the methodologies of hadith scholars are essential material for achieving this goal.

3. Program Objectives

Broadening the understanding of the methodologies of hadith scholars, as comprehending both the methodology and its oppositions enables students to recognize that differences are qualitative rather than merely conflicting, as portrayed by others.
